

## **JOHN CAMPBELL**

I was born outside of Pittsburgh, Pennsylvania and moved to Healdsburg, California when I was 5 years old. I was the second oldest with an older sister and 3 brothers.

After High School, I decided to join the Army. The Navy could not guarantee me the MOS I wanted, Military Police, but the Army could and so I joined in 1973. Initially I just was going to complete my 3 year stint and get out. But as fate would have it, I met my beautiful wife Romy in Germany, got married in 1976 and stayed in the Army until 1993.

I attended Healdsburg High School and also studied while I was in the Military. I would say my favorite job was the Army. Traveling around the world and meeting so many folks from all walks of life was the experience of a lifetime.

My biggest accomplishment is marrying my beautiful wife and being a Dad to two grown sons. I have been married for 49 years to my wife Romy.

You may have seen her name on Real Estate signs in Sonoma County as she's been very successful for 24 years. Several Sirs members have been her clients already and continue to do so. Then there is Flex, our 14 year old mixed

breed dog. Our sons are 48 and 33 years old, both were born in Germany and the oldest is fluent in German. We have 3 grandchildren who live in Sonoma County and 2 great grandchildren.

We have lived in Windsor since 1995. Once I retired from the Army, we settled in Healdsburg for a year and a half. We were going to buy a home there but soon realized you could get much more house for your money in Windsor. We are glad we made this decision and have never looked back.

My current hobbies include playing Poker; I bowl several times a week, play Bocce ball and billiards with the Sirs. I would love to go fishing if I had a fishing buddy.
