

Your Profile

Because we would like to know our members better, Windsor SIR 176 creates and posts profiles of its members in its monthly newsletters and on its website, using information you provide, and we make it easy for you to participate. Our profile editor, Gary Good, will be glad to help you create your profile. It all starts with a short questionnaire (below) that you fill out and submit. *(Or, if you prefer, we can hold a 30-minute interview by phone.)* Next, we flesh out a profile of about one page and ask you to review it, make any necessary changes, and give us your approval before posting.

Let's go!

Questionnaire

Suggested items to include. If there is something else about you we should know, please include it.

- Where were you born, and why did you move to the North Bay?
- What college, university or trade school did you attend? What was your major?
- Did you join the Armed Forces? If so, which branch were you in, and what were your responsibilities or assignments?
- What kind of work did you do? Name a couple of organizations/companies that you worked for, and what your title and role were. Share any notable results, awards, or commendations.
- If you participated in sports, which ones? Did you play any sports professionally?
- Name any notable sports records or awards you achieved.
- Tell us about your family life: spouse or partner, kids or grandkids, etc. Include any additional information, such as hobbies, that you would like to.
- Do you have a hero, and who is it?
- What is your motto – if you have one?
